Re: Barclay

Dear Carl:

Enclosed for your information are two copies of additional materials filed in the district court in the FTC enforcement action against Brown & Williamson. At this point, our files appear to be as complete as those of the district court. However, the FTC staff has indicated to us that there are certain papers -- in particular, exhibits to the Popper declaration -- that were supposed to be filed with the court, but which were inadvertently omitted. We are endeavoring to get copies of those papers, and anything else that develops in the lawsuit, and will forward copies as soon as they are received.

Sincerely,

Hadrian R. Katz
